News

Children loved the animal man visiting last week at Nursery and we have lots of photographs to display for you. Please take a look at their learning Journals to see them.

Thank you to the parents looking and commenting on the learning journals, this really helps us to keep in touch with you and update you about your child. We will be adding updates about our healthy eating Startwell projects to this shortly.

This term we will be learning some new Makaton signs to use with the children to help with communication-you can see them on our website.
