

## Nurture School

Dear Parents/carers and families

Thank you so much for the wonderful support and encouragement you have provided for your children and for our staff as they start their year at our Nursery and Preschool.

They are settling well and finding their way around gaining confidence little by little. It is such a privilege to be able to share this time with them and help them to grow and learn. You have placed your trust in us as a school and we appreciate what an honour that is. Together we are going to have an amazing year filled with happy times, new experiences, genuine partnerships and a love of learning.

Come and join us for our groups and services at school, preschool and in the local area.

Take Care
